The Department of Water Resources (DWR) respectfully submits a report mandated by the 2009 Comprehensive Water Package, Senate Bill SB X7-7 (Water Code Section 10608, et seq.).

Water Code Section 10608.43 required DWR to report to the Legislature no later than April 1, 2012. The report, however, was delayed due to the unforeseen complexities of this topic and a significant public review process.

The Commercial, Industrial and Institutional (CII) Task Force Best Management Practices Report has been developed with extensive participation by the CII Task Force. It was a challenge to develop Best Management Practices that satisfied criteria prescribed in the law given the diversity of issues within the CII sectors in California.

A summary of the report is attached. If you have any questions or would like additional information, please call me at (916) 653-7007, or your staff may contact Diana S. Brooks, Chief of DWR's Water Use and Efficiency Branch, at (916) 651-7032 or by e-mail at [Diana.Brooks@water.ca.gov](mailto:Diana.Brooks@water.ca.gov).

Sincerely,

A handwritten signature in blue ink, appearing to read "Mark W. Cowin".

Mark W. Cowin  
Director
